

**CERTIFICATE OF LIABILITY LIST**

All "high risk"/"high adventure" activities - defined by the [Safety Activity Checkpoints](#) still require pre-approval via a [Girl Scout Activity Form](#) at least 4 weeks in advance (or with as much notice as possible) even if they are already on this list.

You may/may not need a COL from local, state and federal locations. Please email [customer-care@gsema.org](mailto:customer-care@gsema.org) to inquire about your specific location.

To request a COL from a location that is not on this list, please contact the site and ask to have their insurance company email a certificate to [customer-care@gsema.org](mailto:customer-care@gsema.org).

General Liability Limits must be a minimum of \$1 million each occurrence & at least \$2 million general aggregate.  
**Important Note:** GSEMA needs to be named as the Additional Insured and the Certificate Holder. It should read:
