

TIP: We suggest that you copy your My Cookie Link from Smart Cookies (under My Orders Tab) and paste it into a URL maker (like TinyURL.com) to get a shorter link to include below. You can also make a QR Code by pasting it into a free QR Code maker (like qrcode-monkey.com).

1) Fold along solid line and glue/tape other side closed.

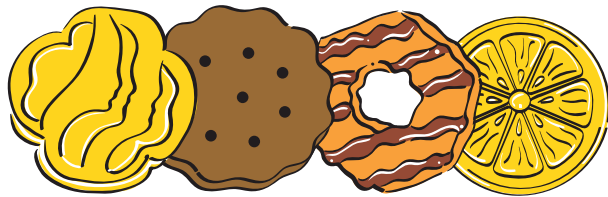

2) Cut dotted lines with scissors.

IMPORTANT: Make sure your troop is accepting Girl Delivery orders this year. If yes, activate the Girl Delivery option on your My Cookie Link:

1. Click on the profile icon at the top left-hand corner of Smart Cookies once you are logged in.
2. Click "Edit Profile."
3. Check box for "Opt-in for Social Link Girl Delivery Order" option and then click "Save."

It's Girl Scout Cookie time!

Will you help me reach my cookie goal?

Please visit my online store to order and pay online.

If you choose the "Girl Delivery" option, I will arrange a contactless delivery.
