

Fall Product Community Caring Program

“Scouting rises within you and inspires you to put forth your best.” ~ Girl Scout founder, Juliette G. Low

Here’s how your Girl Scout can help those in need through the Community Caring Program. Earn a special “Share” patch, recognitions and money for her troop’s activities, adventures and fun:

1. Your Girl Scout invites family and friends to make donations to the Community Caring Program. Receipts, acknowledging such donations, can be found online: <http://www.gsema.org/en/cookies/fall-sale.html>.
2. For each \$6 donation, your Girl Scout records the donation on the Community Caring item line on her paper nut/candy order card so that each \$6 purchases a can of Honey Roasted Peanuts for those in need.
3. Your Girl Scout totals all Community Caring items sold (3+ items earn her the Share patch) and returns the order card to her Troop Fall Product Program Coordinator, along with the total amount of money collected with each \$6 donation. **One can of Honey Roasted Peanuts will be donated to local charitable organizations for each \$6 donation received!**

Last season, 1,720 cans of Honey Roasted Peanuts were donated to local charitable organizations!

Our founder would be proud! Great job, Girl Scouts!

To learn more program details and benefits, please review the Girl Packet received with this letter.
