“EMBRACE POSSIBILITY” during the 2024 Fall Product Program and explore the world of Asian elephants.

Benefits of Participating:

- Girl Scouts learn and practice skills like goal setting, decision making, money management, people skills and business ethics as they earn proceeds for their troop.
- The Fall Product Program is an excellent way to earn start up proceeds to fund your troop's activities and projects throughout the year.
- Troops earn 15% of every dollar sold (20% for opt out troops).

How the Fall Product Program Works:

This program allows Girl Scouts to be entrepreneurs by offering family and friends the opportunity to purchase from a variety of products. There are two ways to participate:

- In-person by taking orders using the nut order card and collecting payments.
- Online by inviting friends and family to place an order. Customers can choose to have nuts, chocolates, magazines, Tervis® Tumblers, personalized products or a Girl Scout themed BarkBox shipped directly to them or they can select from a group of nut and chocolate products that Girl Scouts can deliver.
- GSEMA is subsidizing 50% of the customer shipping fees for nut and candy orders over \$45.

Important Dates:

- **Sep 16:** Program begins for online ordering and in-person sales.
- **Oct 18:** Last day to register Girl Scout to participate in the program.
- **Oct 20:** Last day to submit paper order card sales into the M2 online system, online girl delivery, and shipped orders.
- **Nov 12 - Nov 14:** Nut and chocolate items will be delivered to Service Unit sites.
