Girl Scouts of Eastern Massachusetts is excited to bring back one of the sweetest culinary events in Boston—*Cookies and Cocktails!*

Join us to indulge in unique cookie-inspired creations and support female leadership development. *Cookies and Cocktails* features a culinary competition in which local chefs create a variety of dishes with our beloved Girl Scout Cookies to be enjoyed by over 250 attendees, as well as celebrity judges, resulting in the selection of a crowd favorite, judge's pick, and most unique dish. Guests will also enjoy a complimentary signature cocktail, appetizers, silent auction, and access to a cash bar.

Why Support Girl Scouts:

Building strength and confidence in girls is the cornerstone of the Girl Scouts of Eastern Massachusetts (GSEMA) mission. Girl Scouts allows girls the opportunity to take risks in a safe and supportive environment, challenging them to try new things and build their confidence. Armed with this assurance, girls go on to do great things: leading peers and others, innovating and forging new paths, and thinking outside the box to benefit their families, communities, and beyond. At GSEMA, we embrace diversity and inclusion, and are committed to ensuring all girls in eastern Massachusetts, regardless of their circumstances, have access to the Girl Scout Leadership Experience. Support for *Cookies and Cocktails* allows us to maintain this powerful programming.

GSEMA will provide *Cookies and Cocktails* event sponsors with visibility and hospitality benefits as outlined in the attached summary of sponsorship levels. In addition, we look forward to building a partnership with you through opportunities for participation in future events, employee volunteerism, and networking engagements.
