

Leen A. Girl Scout Senior

Leen is a freshman in high school and has participated in Girl Scouts since Brownie level. She earned her Bronze Award with a project about promoting self-love in her community. She earned her Silver Award for co-founding the organization "Big Sister" and coding its website. Big Sister strives to provide a safe space for young girls to learn about STEAM, mental health and more. Leen is vice president of her school's student council and a tutor for middle schoolers in math and English. She is a staff writer for her school newspaper, participates in the Math League, and competes regularly in the regional and statewide Science and Engineering Fair. She enjoys attending hackathons, playing soccer, and participating in martial arts. Leen hopes to pursue a career in computer science and engineering.
