

Pranali A.
Region 4

Pranali is a high school junior and has been a Girl Scout since Brownie level. She is a Gold Award Girl Scout whose project included the creation of a program entitled Food For Thought to bridge the gap between food waste and food insecurity. She started a website educating the global community about food waste and its harmful effect on the environment, and she leads her religious organization's recycling and composting program. She earned her Silver Award by creating a social media platform and hosting a workshop encouraging young girls to "dream like a girl" to reach their greatest potential. Pranali is active in Vex Robotics and enjoys the arts, playing flute in her school's concert band, and singing in concert choir. Pranali envisions herself in the field of environmental science, promoting sustainability and saving our planet from the global environmental crisis.

**Building girls of
courage, confidence,
and character,
who make the world
a better place.**
