

**Tracy Curley**  
*Manchester, MA*

Tracy is an assurance partner at CohnReznick LLP and serves as the Technology and Life Science Industry Group Leader in Boston. She has more than 25 years of experience providing audit and financial reporting services to companies in both the public and private sectors, with concentrations in technology, life sciences and renewable energy. In addition, Tracy has a broad range of industry expertise in the fields of advanced manufacturing, retail and distribution, construction, and professional services. As a leader in the Firm's Technology and Life Sciences practice, Tracy plays a key role advising technology and life sciences clients on accounting, business, and industry-related issues, including raising capital and addressing complex accounting and reporting issues. Tracy also has extensive expertise in Securities and Exchange Commission (SEC) registrations, as well as ongoing SEC reporting and compliance, and audit engagements. Her experience spans working with private, developmental stage and start-up organizations all the way through publicly traded, international multi-billion dollar corporations. In addition to working with Big Four and national accounting firms, Tracy also has served in senior roles with various international publicly traded companies. She earned her Bachelor of Science, Business Administration and Master of Accountancy from Kansas State University.

**Building girls of  
courage, confidence,  
and character,  
who make the world  
a better place.**
