

Maya M.
Girl Scout Senior

Maya is a high school sophomore and has been a Girl Scout since Brownie level. She is currently working toward earning her Gold Award. Maya participated in student council at her former school and served as student president for her grade level. Maya is active in community engagement and participates in conversations at her school addressing racial equality. She also partakes in programs and events focused on mental health in the youth community. In her free time she enjoys writing spoken word poetry and is in the process of writing a book of her own. Maya plans to continue doing work around mental health and aspires to become a psychology therapist.
