

Sleeping Quarters at Camp Wind-in-the-Pines

Campers who stay at Wind-in-the-Pines will live in platform tents. There are 3-5 girls in each tent. Each girl will have a cot with mattress and a small wooden cubby. A bathroom is located in each unit with flush toilets, handsinks 2 shower stalls, and electricity. Hot showers are also located in the central shower house. Each unit has a fire pit for cookouts. Counselors stay in quarters with other staff right by the campers' quarters. Each unit has a covered pavilion for rainy day space. Poles for bug netting will be provided. Bug netting can be purchased at the Trading Post.
