

WHAT TO PACK FOR CAMP

PACKING LIST FOR ALL PROGRAMS

Please refer to additional specialty program packing lists on each camp's information page.

We suggest that families pack luggage in a plastic tote or large duffel bag. It can be helpful to campers to pack complete outfits in Ziploc bags within their luggage. We suggest avoiding packing in many small bags as it is easier to miss luggage on outgoing days. Please note: Campers may need to help move their luggage, so please pack accordingly.
