

STEM ON-THE-GO Sponsorship: High Impact, High Visibility

Let's work together to inspire the next generation of STEM leaders!

Custom sponsorship packages can include:

- Prominent logo placement on side and back of van, as well as on pop-up tent and portable signage
Exclusive sponsorship option still available
- Employee team-building/volunteer opportunities at STEM ON-THE-GO program visits as well as at large signature Girl Scout events—including STEM Fest and Back-to-Troop Bash
- Opportunity to collaboratively develop and deliver custom STEM ON-THE-GO activities
- Visibility on GSEMA website, social media, newsletters, annual report, custom Girl Scout patch, as well as in press and media coverage

For more information about supporting STEM ON-THE-GO, please contact GSEMA's Director of Development Laura Chadwell, lchadwell@gsema.org.

Girl Scout's mission is to build girls of courage, confidence, and character, who make the world a better place. The largest girl-serving organization in the Commonwealth, Girl Scouts of Eastern Massachusetts serves more than 20,000 girls grades K-12, each year (inclusive of transgender and non-binary youth). We do this through the Girl Scout Leadership Experience (GSLE), a robust collection of engaging, challenging, and fun activities in a girl-centric environment designed to empower girls to take the lead—in their own lives and in the world. GSLE is centered around four core pillars (STEM, Life Skills, Outdoors, and Entrepreneurship) that together offer girls a mix of skills and experiences that set them up for long-term success.
