Why Support Girl Scouts

Building strength and confidence in girls is the cornerstone of the Girl Scouts of Eastern Massachusetts (GSEMA) mission. Girl Scouts allows girls the opportunity to take risks in a safe and supportive environment, challenging them to try new things and build their confidence. Armed with this assurance, girls go on to do great things: leading peers and others, innovating and forging new paths, and thinking outside the box to benefit their families, communities, and beyond.

At Girl Scouts of Eastern Massachusetts, we embrace diversity and inclusion. We serve youth in grades K-12 welcoming non-binary youth and transgender boys, in addition to anyone who identifies as a girl. We are committed to ensuring that financial capacity is not a barrier to accessing the Girl Scout Leadership Experience.

GSEMA will provide Leading Women event partners with visibility and hospitality benefits as outlined in the attached summary of sponsorship levels. In addition, we look forward to presenting opportunities for year-round employee engagement through volunteerism, camp tours, and networking events.
